Dear Preferred Client;

We have upgraded our accounting department and software. To make sure that you are still enrolled in our Preventive Maintenance Program (PMP) and /or Web hosting please fill out the enclosed updated credit card form. We have increased our prices for our PMP memberships from \$35.00 to \$37.50 residential and \$65.00 a month to \$67.50 a month for commercial to keep from having to charge a “trip charge” to our clients.

You will also be receiving an F5 PMP membership card shortly. This card allows you to save ten to fifty percent off of hardware and software from name brand local stores.

Residential Solutions: \$37.50 a month

1 Year PMP Plan – Reduces the hourly rate of \$145.00 down to \$95.00 hour per tech. PMP members also receive a PMP membership card, and have access to our 24/7 support hot-line, online, email support. We will also perform a DVD backup on one computer.
